In his dual roles as investment advisor representative and securities salesperson (as referenced in Items 5 and 10 of our Brochure), Mr. Thorkelson is faced with conflicts of interest whereby, the receipt of commissions for selling securities products gives him an incentive to recommend investment products based on the compensation received, rather than the client’s needs. We address this conflict of interest by, among other things, conducting periodic suitability reviews on our clients’ portfolios. These products may be available through other channels and as a client you are not obligated to purchase products recommended by our representatives. *(Please see Item 10, Financial Industry Affiliations of our Brochure for additional details)*
